|------------------------------------|----------|----------|----------|----------|-----|-----------------------|
| Provide Technical Assistance | | | | | | Very Likely |
| Facilitate Data Conversations | | | | | | Likely |
| Statewide Longitudinal Data System | | | | | | Likely |

Pillar 2: Create a Data Culture around Student Learning

Strategy: Provide Technical Assistance

Purpose: Educational organizations require additional capacity to use data to drive and measure educational quality.

| Projects | Purpose | Turning point |
|---|--|--|
| Provide data and materials to education organizations | To ensure education organizations have the resources to measure their effectiveness. | Always in progress. |
| Analyze and present data to Arizona Ready Council | To link and leverage data from the Arizona Ready Report Card with the resources and vision of Council members. | <ul style="list-style-type: none">• Standing agenda item on data and research |
| Analyze data for GOEI internal use | To ensure internal GOEI practices are data-driven and aligned to Arizona Ready goals. | <ul style="list-style-type: none">• Working to align internal metrics with delivery plan |
| Arizona Ready Report Card | To provide transparent, easily accessible data related to the Arizona Ready goals and metrics. | <ul style="list-style-type: none">• Launched in 2011• UI and data updated in Fall 2012• Data updated Fall 2013 |
| Promote shared definition of success | To encourage other organizations to align their projects and goals to the Arizona Ready goals. | Always in progress. |

Pillar 2: Create a Data Culture around Student Learning

Strategy: Facilitate Data Conversations

Purpose: Education system leaders need to use data available to them to address student achievement issues.

| Projects | Purpose | Turning point |
|--|---|---|
| County Data Profiles & Presentations | To provide school administrators, teachers, families and students with useful information to guide decision-making. | <ul style="list-style-type: none">• First presentation April 2013• New staff added Aug 2013 |
| District Data Profiles & Presentations | To provide school administrators, teachers, families and students with useful information to guide decision-making. | <ul style="list-style-type: none">• Data templates developed• Key district selection in progress |

Pillar 2: Create a Data Culture around Student Learning

Strategy: Statewide Longitudinal Data System

Purpose: To ensure that the education community has access to longitudinal education data.

| Projects | Purpose | Turning point |
|---------------------------|--|---|
| Data Governance Committee | To review progress, determine future needs, and ensure that the Governor's appointees are appropriately engaged. | <ul style="list-style-type: none">• Data system funding not secured• Addition of ADOA expertise adds to optimism |
